

SOUTH AFRICA: The Kalahari to the Cape

“Gathering at Johannesburg Airport, we flew west to Upington on the Orange River and after a brief stop to stock up on supplies, we were on our way north towards the Kalahari. As the landscape gave way to rolling dunes, the roadside telegraph poles provided a variety sights from numerous Southern Pale Chanting Goshawks to massive Sociable Weaver nests. We stopped at the prominent Spitzkop for our first picnic lunch and our first birding away from the road. It was soon evident that the region was dry, but fantastic views of a Double-banded Courser made the detour more than worthwhile. Short-toed Rockthrush is not seen on every tour, but one right by the road was the first of three we were to see on this trip.

The day spent in the National Park was worthwhile. The waterholes are always a focus of attention with superb views of hundreds of Namaqa Sandgrouse coming to drink, joined by smaller numbers of Burchell's Sandgrouse. Elsewhere we encountered Kori Bustard, Secretary Birds, several majestic Lanner Falcons, dainty Pygmy Falcons, Black-chested Snake Eagles and massive Martial Eagles at a nest, colourful Lilac-breasted Rollers and Swallow-tailed Bee-eaters, Spotted Eagle Owl, Kalahari Scrub Robin, vivid Crimson-breasted Shrikes and clouds of Cape Sparrows. Mammals included lots of striking Gemsbok, herds of Springbok, a few Wildebeest, and an endearing bunch of Meerkats. We kicked off our 'lark fest' (which ended at 16 species) with Fawn-coloured, Sabota and Spike-heeled Larks. Outside the Park, we found several Northern Black Korhaans, Pearl-spotted Owlet, which in turn attracted a bunch of smaller birds including Ashy Tit and Brubru, and a pair of roosting Northern White-faced Scops Owls.

We retraced our steps to Upington, where a stop along the Orange River gave us Goliath Heron, Crested Barbets, African Hoopoe, Namaqa Warbler and Orange River White-eye, before we continued to Augrabies National Park where Golden-tailed Woodpecker and Pirit Batis were some of the highlights. Our few days in Bushmanland were blessed with great weather and our search for larks continued with Stark's, Sclater's, Karoo Long-billed, and the wonderful Red Lark. Other highlights included two Burchell's Coursers, several Karoo Korhaans, Mountain Wheatear, and Karoo and Tractrac Chats. The dry conditions produced a poor flower year in Namaqualand, so we did not linger around Springbok. Our drive down to Lambert's Bay gave us Layard's Tit-babbler, Fairy Flycatcher, Southern Grey Tit, Karoo Eremomela, Black-headed Canary, and a very red Karoo Lark and we ended a long day's driving with our usual wonderful seafood meal on the beach. We watched dawn break over the fynbos with several Cape Clapper Larks performing their strange display. These were joined by a few Karoo Larks and lots of Grey-backed Cisticolas, Karoo Scrub Robins and Bokmakaries. After taking in Bird Island and it's thousands of Cape Gannets and Cape Fur Seals, we headed on, stopping at a variety of places for Little Rush and Lesser Swamp Warblers, Protea Canary, a variety of waders and waterfowl on the Berg estuary, and close Bank Cormorants and African Black Oystercatchers at Saldana. The first of two visits to the West Coast Nature Reserve produced a nice selection of fynbos birds including Grey-winged Francolin, Bar-throated Apalis, and Cape Penduline Tit. There were some flowers here as well, and also at the small reserve close to Darling, where we strained our eyes to pick out Cloud Cisticolas. A stop in Ceres found a pair of Giant Kingfishers and the highlight of a very dry karoo was probably Cinnamon-breasted Warbler which everyone managed to see eventually.

We took a fairly circuitous route to get to the Bontebok Reserve at Swellendam. Another stop in Ceres this time turned up a pair of African Black Ducks, then we found a pair of Cape Rockthrushes at Bain's Kloof, a variety of waterbirds at Paarl Nature Reserve (aka sewage farm) and a flock of Sweet Waxbills at Paarl Mountain Reserve. We ended the day in the Bontebok reserve with some birding around the camp followed by a hot braai and some cold gin and tonics. The next morning our pre-breakfast wander around the camp was worth it for the Olive Woodpecker, Greater Striped Swallows, Horus Swifts, Southern Boubous, Neddicky, and Greater Double-collared Sunbird. The road to Cape Town took us through rolling agricultural land where we found Agulhas Clapper and Agulhas Long-billed Larks right by the roadside, Blue Cranes and Stanley's Bustards in the fields, Cape Vultures circling over Potberg, and a Lesser Honeyguide which joined us for lunch.

SOUTH AFRICA: Bird List...2

Our time in Cape Town was filled with birds. First came the pelagic with Shy, Black-browed and Indian Ocean Yellow-nosed Albatrosses, 10 Soft-plumaged Petrels, both species of Giant Petrel, numerous Pintado Petrels, White-chinned Petrels and Sooty Shearwaters. We found Cape Siskin and Grassbird not far from our accommodation and had great views of Black Sparrowhawk in the grounds. There was Burchell's Coucal and Blackwing in the Constantia greenbelts, and Olive Pigeon, Cape Batis, Forest Canary in Kirstenbosch Botanical Gardens, while a return visit to the West Coast gave us our sought after target birds – Black Harrier, Southern Black Korhaan and Black Crane – while a visit to one of the hides produced not only the hoped for Chestnut-banded Plover, but also 2 Lesser Sand Plovers, a South African rarity." by Steve Rooke.

Bird List:

Column A = Number of tours on which this species has been recorded.

Column B = Number of days this species was seen on the last tour.

Column C = Maximum daily count for this species on the last tour.

A		B	C	
7	Ostrich	1	30	<i>Struthio camelus</i>
7	African Penguin	3	300	<i>Spheniscus demersus</i>
7	Great Crested Grebe	3	30	<i>Podiceps cristatus</i>
7	Black-necked Grebe	3	300	<i>Podiceps nigricollis</i>
7	Little Grebe	5	50	<i>Tachybaptus ruficollis</i>
7	Shy Albatross	2	100	<i>Thalassarche cauta</i>
7	Black-browed Albatross	1	100	<i>Thalassarche melanophris</i>
3	Indian Ocean Yellow-nosed Albatross	1	3	<i>Thalassarche cateri</i>
1	Atlantic Yellow-nosed Albatross	0	0	<i>Thalassarche chlororhynchos</i>
3	Southern Giant-Petrel	1	1	<i>Macronectes giganteus</i>
6	Northern Giant-Petrel	1	1	<i>Macronectes halli</i>
